Homework Packet - Week of 4/22

Return this packet on Friday (4/26). Have an adult sign the next page once you have completed your homework for the week.

Reading - Please complete ONE of the following reading challenges each night. You can go in any order you wish. **Set a timer for 20 minutes.**

You may now **REPLACE** one or two of the below reading challenges with 20 minutes on i- Ready Reading My Path. This is just another option and is **NOT mandatory.**

Pick a chapter book to read independently OR with an adult (you can continue with the chapter book you chose last week)

Read a biography

Read outside

Math - Please practice your math skills for **10 minutes** each night by completing the assignments below in any order. Record the date. You can set a timer and stop working when time is up.

PERIMETER (do 3)

Name: _____

Directions: Using one color of the rainbow for each problem, create your own rectangles with the perimeters shown below.

1. Color a red rectangle with a perimeter of 28 units.

$8 + 8 + _ + _ = 28$

2. Color an orange rectangle with a perimeter of 12 units.

4. Color a yellow square with a perimeter of 20 units.

5. Color a blue square with a perimeter of 24 units.

7. Color a green square with a perimeter of 8 units.

8. Color a purple rectangle with a perimeter of 6 units.

Name: _____

$$\text{AREA} = L \times W$$

(length \times width)

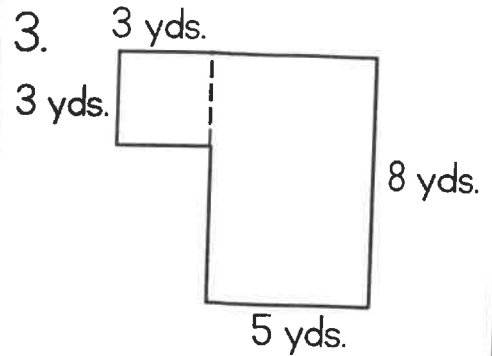

Directions: Find the area of the rectilinear figures below. The figures have already been split into two rectangles for you.

$(2 \times 2) + (6 \times 6)$
Area = **40 sq. cm.**

$(\quad \times \quad) + (\quad \times \quad)$
Area = _____
